Thoughts: You know seriously who is a better pair than Lina and Gourry? Sylphiel and Gourry is just wrong! Amelia and Gourry? Don't get me started. This is one of the biggest laughs, Lina and Zelgadis! Why do ppl think that Lina likes Zelgadis?! I mean it seems like he likes her rather than she likes him. Anyways let's carry on.
>
 Life was simple as ever for our favourite sorceress Lina Inverse. Food was good, friends were good, nice profession but she couldn't help but think that something was missing.
>
 The day was sunny and cool, Lina was in deep thought
>"I wonder what's missing," she thought.
>"Hey Lina! Your breakfast isn't going to stay warm forever!" Gourry called.
>"Huh? Oh, coming!" Lina called.
> * * *
>"Is Ms. Lina coming?" Amelia asked "It's not like her to be late for breakfast."
>"Yeah, I'm worried," Gourry said.
>"I didn't think it was possible for her to be late for a meal," Zelgadis teased.
>"Morning guys, get a good rest?" Lina asked.
>"Yeah, I had a dream that-" Amelia started.
>"Food! Oh, glorious food! How I craved for food," Lina said springing to her seat, practically inhaling her breakfast.
>"I guess we had nothing to worry about," Zelgadis whispered.

>"You say something Zel?" Lina asked with food stuffed in her mouth, she could barely speak.
>"Hey! What's this?" Gourry said holding a small velvet book in his

hand.
>"What'd ya find Gourry?" Lina said patting her stomach and smacking her lips.
>"Property of Sylphiel Nels Lahda of Sairagg," Gourry read. "Hey! I think this is Sylphiel diary!"
>"No duh Gourry!" Lina said slapping him on the head "I guess we'll have to make a quick stop at Sairagg."
>"Do we really have to?" Zelgadis asked sipping his coffee.

>"It's the right thing to do Mr. Zelgadis," Amelia chirped.

>"It just seems pointless to go all the way to Sairagg and give Sylphiel her diary," Zelgadis complained.
>"What's Sylphiel's diary doing here anyways?" Lina wondered.

>"Me too but maybe she left it here on purpose or something," Gourry replied.
>"Gourry! That's the dumbest thing you said today!" Lina said and whacked him on the head.
>"Why would Ms. Sylphiel leave her diary here on purpose Mr. Gourry?" Amelia asked.
>"I don't know maybe she did cause she knew we were going to find it," Gourry said looking down at his empty plate.
>"Why would she want us to find it?" Amelia asked.
>"Maybe she misses us or needs company," Gourry guessed.
>"More like needs Gourry," Lina mumbled under her breath.

>"What was that Lina?" Gourry asked.
>"Oh, nothing Gourry," Lina replied "Anyways what are we waiting for? We can't sit here all day!"
>"Let's go!" Amelia cheered and they all walked out of the restaurant.
>"Hey! Come back here you didn't pay!" the owner yelled, but he was too late they were already out of sight and on their way to Sairagg.
>End of Part1
>Yeah I know pretty short but it's the intro not all of them will be so short.
